

Farmlands

Our number one industry in Tioga County is agriculture, and we have an abundance of beautiful farming areas to tour. Starting in Wellsboro, you will head east towards the town of Mansfield. On the way you will pass the community of Whitneyville, home of the Tioga County Fair held each August. Continuing your journey you will come to Mansfield, passing Mansfield University. You will follow a rural winding section of historic Route 6 until you enter some of the “roads less traveled” of Tioga County passing through Roseville, Jobs Corners, and Millerton to the junction of Route 15 where you’ll find yourself in the town of Lawrenceville. Route 49 is a beautiful stretch of road passing Cowanesque Lake on your circuit back to Wellsboro via winding roads through countryside and several small communities. Be sure to pick up your “Joy of Farm Watching” handbook before heading out as your roadside guide to Pennsylvania Agriculture. Remember to maintain a safe speed for conditions.
