

Lakes & Scenic

Tioga County is best known as being the home of the Pennsylvania Grand Canyon, however, we also have seven lakes for recreation. Completing the Lakes Tour, you will pass all seven. Some are community lakes, some state parks, and three are federal parks. And if you have some time, try out the activities at the lakes – fishing, swimming, hiking, boating, or just relaxing. So pack up your fishing gear, swimming suits, and floatation devices for a great day of water fun! If you would like more detailed information about the various lakes, please stop in at the Tioga County Visitors Bureau located at 114 Main Street, Wellsboro.
